The Company normally acts as Broker for the Vendor who unless otherwise stated is not selling in the course of Business. Whilst every care has been taken in the preparation of these particulars, the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate at his/her own expense to employ a Qualified Marine Surveyor to carry out a survey and/or have an engine trial conducted, which if conducted by us should not imply any liability on our part.

## Key Features

---

- This tender has been for many years our best seller. Now on the market in the third-generation version, has been improved in all details, reaching an incredible quality of navigation and softness on the waves, joined to quickness in go planning.
- The hull is surely the most advanced of the category and allows water ski, exploiting all the lengthiness available thanks to integrated flaps extended by stainless appendices. Garage, platform or davits? No problem, you will have only 145 kg to be handled!
